PURPOSE

To explain to our school community the Department's and Meredith Primary School's policy requirements and expectations relating to students using mobile phones and other smart devices including interactive/games watches during school hours.

SCOPE

This policy applies to:

1. All students at Meredith Primary School
2. Students' personal mobile phones and other smart devices including interactive/games watches brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches. For the purpose of this policy, 'smart watches' refers to watches that also have the capability to play games/take photographs etc.

POLICY

Meredith Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Meredith Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours (at the school office)
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Meredith Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.
